

Tomahawk, Wisconsin

Tomahawk is located on the southern edge of the Northwoods. It relies heavily on tourism to sustain its economy as well as multiple industries such as Harley Davidson, Teneco and Louisiana Pacific, that have manufacturing plants in the region. The region is filled with large forests and paper mills making it much more likely that you will see a logging truck than a farming tractor. The location of Tomahawk on Highway 51 make Tomahawk an accessible location for everyone.
